

Transition to the Trades

Join Support Ontario Youth (SOY) for an engaging and informative presentation designed for **graduating students, **parents**, and **educators** interested in learning more about careers in the skilled trades.**

As experts in the apprenticeship and skilled trades sector, the SOY team will break down the apprenticeship pathway, offering **clear guidance on how students can successfully transition from high school into a rewarding career**. The session will include practical tips, resources, and insights on how to find and connect with potential employers or sponsors.

Whether you're a student considering your options, a parent looking to support your child's future, or an educator helping guide career pathways, this session will provide the tools and information you need.

Please contact events@supportontarioyouth.ca for more information.

DELIVERY OPTIONS:

- **Virtual presentation** for graduating students, during the day in one of their classes or in an assembly.
- **In-person presentation** that includes students and their parents, ideally for multiple schools to come together in one location (hosted by a school/school board).

Flexible scheduling available during both daytime and evening hours.
