Presentations and Q&A for
Students, Parent/Guardians
and Education Stakeholders.

BUILDING A BRIGHT FUTURE

Exploring Careers in Skilled Trades for Secondary School Communities

Ideal for skilled trades events, parent-teacher interviews, and other pathway events, this presentation highlights exciting career and pathway opportunities.

HIGHLIGHTS:

- Misconceptions about Skilled Trades Careers
- Skills that are in demand across different trades and industries
- High School Pathways into the Skilled Trades
- Understanding Apprenticeship in Ontario
- How teachers and parents can support the next generation of tradespeople
- Importance of Career Planning in the Trades
