SOY ONTARIO
SKILLED TRADES START HERE

TOOL TIME!

Hands on Skilled Trades Exploration for Grade 7-11 Students!

Give your students the chance to discover the skilled trades through an engaging presentation and hands-on tool activity led by licensed journeypersons.

Students will:

- Explore the skilled trades and career opportunities
- Get hands-on experience using real tools
- Learn directly from licensed journeypersons
- Ask questions and discover what a career in the trades can look like

In-Person Presentations and Q&A for Students.

Designed for Your Students

Our team can tailor the experience to your students' grade level and interests.

Speak with a SOY team member to explore the options available and create a Tool Time! experience that's perfect for your students.

Bring Tool Time! to Your School.
